

The trouble with quantifiers: Explaining children's deficits in scalar implicature

Alexandra C. Horowitz*

Department of Psychology, Stanford University

Rose M. Schneider*

Department of Psychology, Stanford University

Michael C. Frank

Department of Psychology, Stanford University

The two first authors contributed equally to this paper. We gratefully acknowledge Tamara Mekler for her assistance in data collection, the staff and families at Bing Nursery School, as well as David Barner for guidance on the Give-Quantifier task.
